### What they're saying about the AHSC Program:

*"We have received two awards for developments in struggling neighborhoods that need both housing and infrastructure investments. [T]his holistic funding responds to grassroots immediate community needs."*

**–Community Housing Works**

*"AHSC has enabled our East Bay communities to help address two key concerns simultaneously-- the housing crisis and climate change. AHSC has begun to build bridges and awareness between the housing and transportation fields that benefit us both and create stronger communities."*

**–Resources for Community Development**

## What they're saying about the AHSC Program (cont.)

*"AHSC requires green infrastructure in every awarded project. This is the first California grant program focused on development that has such a requirement. Trees and other green infrastructure are critical components for healthy living and improved quality of life."*

**–California ReLeaf**

*"[New affordable homes allow] families to stay near their schools and parks, and thus continue to walk and bike to them."*

**– Safe Routes to School National Partnership**

*"It means being able to...[expand] into new geographical areas and bring housing to more families. It also allows us to create and/or maintain employment opportunities within our local communities."*

**–Coachella Valley Housing Coalition**

*"AHSC provides important resources for the development of affordable housing in our region."*

**–Southern California Association of Non-Profit Housing (SCANPH)**

*"AHSC helps fill the financial gaps that have only become larger since the loss of redevelopment agencies. The program also helps attract transportation to our sites, such as nearby bus lines and bike share for residents."*

**–Jamboree Housing**

*"It's the best affordable housing program ever, and reduces GHGs and VMT!"*

**– MoveLA**

*"We need AHSC in order to ensure that low-income households are not left behind in the state's efforts to pursue smart growth solutions - protecting our social, economic, and environmental well-being."*

**– Peoples' Self-Help Housing**

*"AHSC means that vulnerable seniors in our community are able to live in clean, safe, and healthy environments during their "golden years"."*

**– Global Human Services, Inc.**

### What they're saying about the AHSC Program (cont.)

*“Affordable housing is among the most critical needs in Los Angeles and will be for decades to come. Affordable housing near transit, and other efforts to ensure our communities are healthy, are a priority for us.”*

– **Venice Community Housing**

*“Part of the fight to get more affordable housing in California!”*

– **Watts Labor Community Action Committee**

*“AHSC provides value funding for projects in pre-development in both Ventura and LA counties. This funding provides a means to create valuable public-private partnerships with communities in our area.”*

– **Many Mansions**
